*Guarantee Your Drive Experience*

## Steer Clear of Unexpected Expenses Due to Road Hazards

Road hazards are out of your control. EG Assurance is here to ensure that our customers are protected from unexpected expenses due to road hazards when they purchase our Tire & Wheel and Dent & Ding Protection products.

### Dent & Ding Protection

EG Assurance wants you to have a worry-free ownership experience. You can rest easy knowing our Dent & Ding Protection covers dents and dings on a vehicle's body panels caused by normal wear and tear.

### Tire & Wheel Protection

## Keep Your Wheels Spinning

EG Assurance's Tire & Wheel Protection provides our customers with repair or replacement of wheels and tires if they become damaged and are unable to hold air due to ordinary road hazards.

### Examples of ordinary road hazards include:

- Potholes
- Metal parts
- Wood debris
- Rocks
- Composite materials
- Plastic
- Glass

## Refresh Your Vehicle's Appearance

### Covered parts include:

-  Factory or dealer installed wheels/rims.
-  Factory installed tire-pressure sensors, wheel studs, lug nuts, valve stems and caps, wheel locks and tires with greater than 2/32nd inch tread.
