COMMANDING PRESENCE

Take on Life in Style

BACK TO SECTION

**COMMANDING PRESENCE**

The first thing you notice about QX60 is its undeniable presence. With a commanding stance and katana-inspired lower door finishers that exude power and sophistication, the sleek lines and intricate details weave together to create a luxurious style that stops people in their tracks. In the elegantly designed QX60, you'll speak volumes without saying a word.

**COMMANDING PRESENCE**

The available **two-tone exterior paint**,<sup>1</sup> low-profile roof rails<sup>2</sup> and wraparound glass treatment evoke the look of a glass greenhouse. The available **20" wheels** are charcoal metallic-painted and machine-finished for sharpness. They enhance the commanding presence of QX60 and perfectly complement the wheel arch moldings, which help reinforce the sense of capability.

**FRONT DESIGN CUES**

Make an  
Unforgettable  
First Impression

## FRONT DESIGN CUES

A lasting impression starts with a first impression, and QX60 leads with a **double-arch grille** that is dramatic down to its details. An inner mesh pattern of origami-inspired folds gives the two-dimensional paper-like slats a 3D depth. From there, the dynamic pattern radiates energy as the folds widen from the badge to the edges.

Double-arch grille with intricate 3D mesh

**FRONT DESIGN CUES**

Every subtle style choice makes a powerful statement, such as the muscular, sculpted **front bumper** design that incorporates a singular underguard-style accent. INFINITI's unique **Digital Piano Key headlights** illuminate the way ahead and leave a lasting impression behind, giving QX60 a signature styling that stands out as impossible to forget.

REAR DESIGN CUES

# Style That Sets the Tone

## REAR DESIGN CUES

Sophistication can lose its luster without a bit of edge. With a **clean, broad liftgate**, skid plate-style bumper accents and a sleek rear design, the QX60 is the perfect mix of commanding and chic. So you can enjoy all the rugged appeal of an SUV while maintaining graceful exterior styling.

Clean, Broad Liftgate

**REAR DESIGN CUES**

The **Digital Piano Key taillights** of the QX60 are marked by crisp segments like piano keys. The horizontal design wraps around and joins with a central garnish, giving it a wide, stable, plated appearance. Deep-set LEDs light each taillight segment, and the reflector illuminates with a uniform glow rather than pinpoints of light. Inside, subtle patterns reward a closer look, like the facets of a gem.

QX60

Interior

ENERGETIC COMFORT

Uncompromisingly  
Modern

**ENERGETIC COMFORT**

The open, uncluttered and incredibly spacious interior of the QX60 offers a sense of calm the first time you get in – and this remains true each and every time you enter. It flows from a design philosophy that's as much about what's not there as it is about what's included, like the exquisitely tailored details in a setting of elegantly crafted simplicity.

**ENERGETIC COMFORT**

You're always looking forward. And in the QX60, there are details in the details, like air vents that disappear into the design, **blacked-out haptic controls** and an elegant **center console**. It'll transform and reward your senses on every drive like it's the first drive.

DESIGN INTRICACIES

Reward Your  
Sense of Touch

**DESIGN INTRICACIES**

Want a lush interior experience? It's all in the touch, like seats with available quilting inspired by ripples on the surface of a pond – the result of a two-year study on the ideal touch-feel – or the **semi-aniline leather appointments**,<sup>3</sup> which provide you with exceedingly soft and durable seating. These are surfaces curated for feeling.

Saddle Brown semi-aniline leather-appointed seats<sup>3</sup>

## DESIGN INTRICACIES

The QX60 was designed with detail in mind, all the way down to the luxurious available **Black Open Pore Ash Wood** interior trim accents and contrast precision stitching. And when it comes to your music, it should look as three-dimensional as it sounds. With the available **Bose® speaker aluminum grilles**, the speakers visually integrate into the sculpting of the door panels for a luxurious experience that is both visually and auditorily pleasing.<sup>3</sup>

QX60

Space & Cargo

SPACIOUS INTERIOR

Curate Your Cargo

## SPACIOUS INTERIOR

The QX60 offers two different seating options: if you often travel with a group, opt for the standard **seven-passenger configuration**. For a more spacious and luxurious seating experience, the available **six-passenger seating** with **second-row captain's chairs** and center console gives your passengers a front-row experience.

Seven-passenger seating

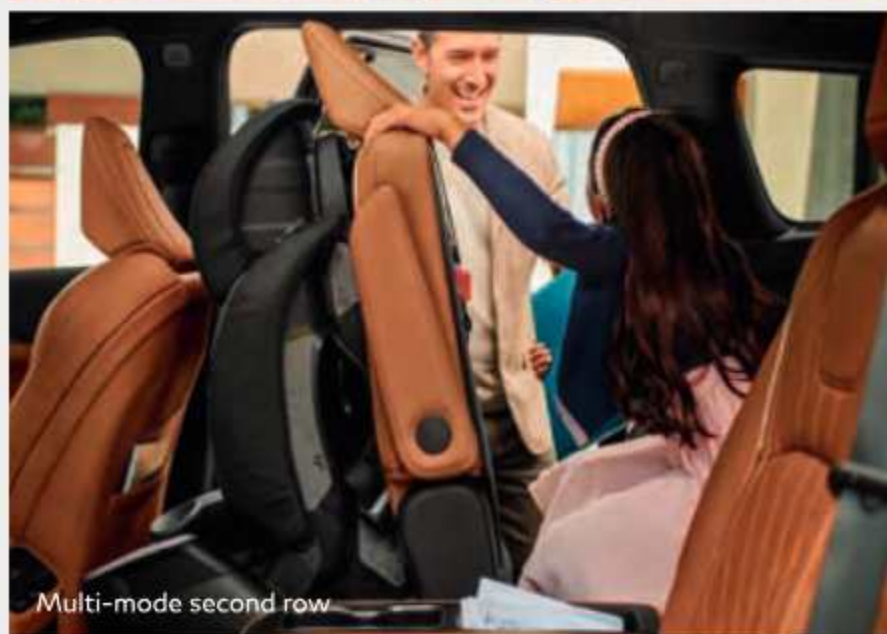

Six-passenger seating with second-row captain's chairs<sup>3</sup>

## SPACIOUS INTERIOR

Whether you're entertaining clients, going out with friends or taking trips with family, you deserve a vehicle that indulges your passengers every bit as much as it indulges you. The QX60 comes fully equipped with a luxury experience for everyone in every seat with a **panoramic moonroof**, passenger seats that recline<sup>4</sup> for extra comfort, a **multi-mode second row** and refined materials throughout.

Panoramic moonroof

Multi-mode second row

## SPACIOUS INTERIOR

We've re-envisioned the third row with the **cargo area** in mind. The available one-touch power return<sup>5</sup> means putting the seats upright is practically effortless. When you're packing extra stuff, the third row is split 60:40, so you can easily fold one or both sides. And loading up is easy: Use the Intelligent Key or swing your foot under the rear bumper to use the available **Motion-Activated Liftgate**. You can even keep items safe and prevent them from rolling around with the under-floor storage.<sup>2</sup>

FORWARD-THINKING FEATURES

Bring Focus Back  
to What Matters

**FORWARD-THINKING FEATURES**

Your QX60 gets to know you and your specific tastes. The **Intelligent Key** automatically signals the vehicle to personalize as you enter. Easily control your vehicle's locks from a distance with the **approach unlock & walk away lock**. Before you even leave your front door, you can use **Remote Engine Start** to warm up or cool down your vehicle for your drive.<sup>3,7</sup>

INTERIOR TECHNOLOGY

Do More With Your  
Drive Time

## INTERIOR TECHNOLOGY

Your life is busy, so QX60's technology helps you stay connected on the go. The **Dynamic Meter Display** replaces traditional gauges with a **12.3-inch interactive display** that puts the information you want right where you need it.<sup>3,9</sup> The optional **Head-Up Display** gives you essentials, such as your current speed and next-step navigation, projected directly onto your windshield.<sup>10,11</sup>

1 Extra cost option.

2 Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

3 Features not equipped on all vehicles.

4 Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information.

5 When operating the rear power-seatback return, make sure that the vehicle is stopped and the transmission is in the P (Park) position.

6 The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

7 Remote Engine Start to be used only in accordance with laws or rules in effect in your vehicle's location.

8 Image may not reflect actual product.

9 Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all time so full attention may be given to vehicle operation.

10 Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information.

11 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

12 Feature availability is dependent on vehicle model, trim level, packaging and options. Trial included with vehicle purchase. **Consumer activation of INFINITI InTouch Services package required.** Compatible connected device and wireless network may be required. Refer to connected device's owner's manual for details. Late availability for some features.

Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. **Cellular network not available in Guam, Puerto Rico, U.S. Virgin Islands, Saipan or American Samoa.**

Some services and features are provided by and dependent on third party service providers and not INFINITI. **Should service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to INFINITI or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within INFINITI or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. INFINITI and its partners or agents are not responsible for associated costs or other third-party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within INFINITI's or its partners' or agents' control.

Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new INFINITI. Trial periods and feature availability may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. INFINITI InTouch® with Wi-Fi terms and conditions of subscriber agreement apply. Trial is included with vehicle purchase on equipped new INFINITI vehicles. Once your vehicle has exceeded the coverage parameters of the roadside assistance benefits included with your vehicle purchase, you will be responsible for any charges incurred by obtaining roadside assistance for your vehicle. For complete information concerning warranty coverage, conditions and exclusions, please see your INFINITI dealer and read the warranty information booklet.

14 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included.

15 Availability may vary. INFINITI InTouch Services subscription may be required. Always read INFINITI instructions for safe update procedures. You may contact INFINITI at 1-833-283-1886 for assistance with software updates. You may also visit your local INFINITI retailer; retailer charges may apply.

16 Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply.

17 120-volt power outlet is intended only for use with compatible items. Please check specifications of wattage and amperage of items to be plugged in to determine compatibility.

18 ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.

19 Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.

20 Smart RearView Mirror may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information.

21 Around View Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information.

22 Virtual composite 360° view.

23 Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information.

24 Forward Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.

25 Lane Departure Prevention and Lane Departure Warning only operates when lane markings or road edge (if equipped) are detectable. See Owner's Manual for safety information.

26 Blind Spot Intervention and Blind Spot Warning cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information.

27 Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information.

28 Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information.

29 2025 EPA Fuel Economy Estimates 22 City/28 Highway/24 Combined for QX60 FWD; 22 City/27 Highway/24 Combined for QX60 AWD. Actual mileage may vary with driving conditions. Use for comparison only.

30 Towing capacity varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. Always secure cargo.

31 Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions.

32 Up to 6,000 lbs. towing for 2025 QX60 SENSORY AWD with Tow Package and 2025 QX60 AUTOGRAPH. Towing capacity varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure cargo.

33 Do not perform slide forward function with the Child Restraint System occupied.

34 Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information.

35 RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information.

36 Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information.

37 Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information.

38 Vehicle must be on for the Easy-Fill Tire Alert to operate.

39 Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details.

40 Driver Attention Alert cannot provide a warning in every situation. See Owner's Manual for safety information.

41 Accessories shown on vehicle are not genuine INFINITI parts/accessories. Not warranted by INFINITI. Refer to product manufacturer for warranty details.
