The exclusive special edition celebrates the most powerful and influential leaders in Dallas-Fort Worth.

**Nov. 17, 2022 — DALLAS, TEXAS** — *D CEO*, the award-winning business title of D Magazine Partners, has revealed its list of those included in the 2023 edition of the *Dallas 500*. Now in its eighth year, the publication is the culmination of six months of research by the editors of *D CEO*. Those featured in the 2023 edition—including 189 individuals who are new to the list—were celebrated at an exclusive reception held Nov. 16 at The Mason Dallas.

Unprecedented in scope, the 176-page 2023 edition of the *Dallas 500* provides an engaging, personal look at people at the top of their game in more than 50 prominent industries. For the latest edition, editors added two new categories—newcomers and hospitality—and expanded others, including sports and innovators categories.

“Making the *Dallas 500* is no easy feat in a market as large and vibrant as North Texas,” said *D CEO* Editor Christine Perez. “Those featured in our 2023 edition are the best of the best; they play an integral role in driving the local economy.”

Along with industry updates and strategies for success, the leaders shared the biggest risks they’ve taken, items on their bucket lists, and what they’d choose as their spirit animal. “You can easily get an executive bio online,” Perez said. “The *Dallas 500* features nuggets you can’t find anywhere else. It all fits in with our mission of connecting leaders in North Texas.”

“The 2023 edition showcases the unique energy of these North Texas leaders,” said Noelle LeVeaux, publisher of D Magazine Partners. “There is no other region in the country with the breadth of talent, passion, and commitment as Dallas-Fort Worth,” LeVeaux said. “I am particularly excited by their commitment to making Dallas an even better place to work, live, and grow a business.”
