Eligibility Information

To be eligible for a Washington Electric Vehicle Instant Rebate, you must have a combined household income* at or below the amount shown below:

Number of people in household	Maximum total household income
1	\$45,180
2	\$61,320
3	\$77,460
4	\$93,600
5	\$109,740
6	\$125,880
7	\$142,020
8	\$158,160

*Total household income is based at or below 300% of the 2024 Federal Poverty Level guidelines and is defined as the expected combined pre-tax gross income for any person or group of people within a household. A "household" is usually a group of related people who are living together and share common living expenses. Roommates who are no longer considered a dependent for their parents/guardians/family members are considered individual households and should refer to their individual earnings. For households with more than eight people, the maximum combined household income is \$158,160 +\$16,140 for each additional person.

Participation Agreement

The Washington Electric Vehicle Instant Rebates Program is administered by Energy Solutions on behalf of the Washington State Department of Commerce (“Commerce”) and offers rebates discounted at point-of-sale/lease by participating dealers on qualifying electric vehicles. Any Washington resident that meets the above eligibility requirements is eligible for a Washington Electric Vehicle Instant Rebate. Qualifying vehicles may be found online at waevinstantrebates.org. By signing this form, I hereby acknowledge:

- I meet the above eligibility requirements.
- This point-of-sale/lease rebate will be deducted from the purchase/lease price of the qualifying vehicle.
- I will register the vehicle for personal use with the Washington State Department of Licensing for use at the address listed in the form above.
- I acknowledge that Commerce is not responsible for any tax liability because of the rebate provided under this program.
- I grant permission to the dealer to share my information with Commerce and its program implementer Energy Solutions, and for Commerce to share my information with other rebate programs that I may be eligible for in order to receive additional incentives.
- I may be selected for post-sale verification of my income and agree to provide proof of program eligibility upon request.

Commerce makes no guarantee of the Washington Electric Vehicle Instant Rebate, and makes no representations, or warranties, expressed or implied, regarding the vehicles purchased or leased. Energy Solutions is an independent contractor of Commerce. Information provided to the Department of Commerce is subject to public disclosure, pursuant to RCW 42.56. Any information provided to the Department of Commerce will be released upon request by any member of the public.

Customer Certification and Signature

I certify and attest that all information included in this Customer Eligibility Form is true, complete, and accurate to the best of my knowledge as of the date signed below. I also understand that I may be selected for post-transaction verification of my income and other information provided in this Customer Eligibility Form and agree to provide proof of all such information and program eligibility upon request by Commerce or an entity designated by either of these agencies. In cases when selected customers are found to be ineligible during post-transaction verification, Commerce reserves the right to recapture funding not to exceed the rebate amount in the bill of sale or lease agreement.
